SafeNaksha – Incident reports (539 incidents with verifiable source links, cumulative, report dates 2026-09-10 to 2026-10-10, last updated 2026-10-10T15:13:22+05:30)

Automatically collected from public news (Google News RSS, English & Hindi) and public X posts/stories. Locations are approximate (city/district or police-station area). Social-media items are unverified. Absence of reports does not mean an area is safe. Adult ages are shown as published; ages of minors are replaced by "minor"/"नाबालिग". Names and identifying details (family names, house address, school/college/workplace, phone numbers, photos) are removed (BNS Sec. 72; POCSO Sec. 23). Information only – not an official government or police document; district/area figures are statistical and not a judgement on residents. Corrections: see the Terms of Use on the website.
